

Parents and students,

This summer we will set off together to **EXPLORE** the **presence** of God, **truth** of God, **family** of God and the **mission** of God. I hope every J-high and High School student can join us as we travel, worship, study, pray and play together in the lakes, rivers, forests and deserts that we are planning to explore. The next page is a fun-filled summer calendar that will help you plan your family calendar to hopefully include some of these Kingdom-Family activities. We've got big plans to EXPLORE God, God's Family and God's creation with your students. I hope they are able to join us!

Please let me know if you have any questions. I am happy to talk, text or email...

In Christ,

Billy Hunter—Interim Youth Director/Pastor/Elder
