

# REALITY VENTURA SENDING STRATEGY

We, at Reality Ventura are captivated by Revelation 7:9, “a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne” of God. Our global vision is to join God in the advancement of gospel centered global endeavors with an emphasis on the least reached peoples.

Reality Ventura has developed a Sending Strategy by which we help cross-cultural workers discern God’s calling, prepare them to go, ensure that their needs are met while they are gone, and welcome them back into the life of the body when they return.

Reality Ventura has a Sending Team made up of members of the body of Christ at Reality who have a calling on their lives to mobilize, encourage and facilitate partnership with individuals who are being prepared to serve the Lord in global ministry. The Sending Team serves under the authority of the church elders to help carry out Reality Ventura’s global vision. If you are interested in learning more about the process of becoming a global partner with Reality Ventura read the following Sending Strategy.

If you are unsure of your vision for ministry, want to learn more about Reality Ventura’s gospel centered global endeavors with an emphasis on the least reached peoples, or you’d simply like to connect with a member of the Sending Team or staff to share your story and receive prayer for any international ministry you are involved in, please contact the Global Ministry Coordinator: [jenniferweir@realityventura.com](mailto:jenniferweir@realityventura.com). Include your name, the ministry you are considering—or are already engaged in and your involvement at Reality Ventura.

## SENDING PARTNERSHIP

### ***Why do we partner with cross-cultural workers?***

The primary purpose of global partnership at Reality Ventura is for the Gospel to go forth and to make disciples. Whatever the ministry on the field is, the purpose is to build bridges and develop relationships through which to deliver the Gospel. Secondly, at Reality Ventura we desire to see the Gospel bring renewal to the least reached peoples.

### ***Who do we send?***

We partner with individuals or families who regularly attend Reality Ventura, who share our global vision, and who have demonstrated a commitment to the life of this body by participating in any of the following:

- Attending a Community group or

- Regularly participating in corporate prayer or
- Faithfully serving in an area of ministry at Reality Ventura

Cross-cultural workers are typically sent out as an individual/family unit. When multiple individuals or families pursue cross-cultural ministry together in the same location, each individual/family must initiate the sending process. Those interested in pursuing being a part of a long-term Reality Ventura church-based team may contact the Global Ministry Coordinator: [jenniferweir@realityventura.com](mailto:jenniferweir@realityventura.com).

### ***When do we get involved?***

We as senders, desire to speak into the formation of each worker's vision for global ministry. We want to be part of your decision-making process regarding if, where, and when to go. Contact the Sending Team early to work through the sending steps with you. **Timing is important!** Use this timetable for contacting us if you desire to begin the sending partnership process:
