****We will stopping for lunch on our way to and from camp. Please send your student with an extra \$15 - \$20 to cover both meals.***

The goal of camp is for attendees to connect with God, leaders and other campers. Because cell phone and iPod use tends to isolate us, their use at camp is limited to special circumstances (ie. camera, Bible App). If it is discovered that a camper is abusing such devices, a leader will hold that device until the conclusion of the event. Parents wishing to have regular contact with their student are encouraged to call the Youth Director, David Besanceney, at 707-845-8875 and they will be put into contact with their student ASAP.

PARENTS!

Winter Camp is just a few weeks away! We believe camp is a great opportunity for us to spend a weekend away and grow deeper in our relationship with each other and Jesus. Here's all the important information you'll need to get your camper ready for this life changing weekend!

We hope your child will join us, and that you will partner with us as we pray for God to glorify Himself and impact lives through camp this year.
