**VERSE 2:**

When the Kingdom comes the orphans find a home  
 The weary find a rest and the hopeless find a song  
 When the Kingdom comes the broken find their mend  
 The weeping find their joy and the sinners find a friend  
 When the Kingdom comes

**CHORUS 1:**

**BRIDGE 1: A Bm7 F#m7 Bm7**

When the Kingdom comes the curse is lifted  
 The whole world changes and the earth is shifted  
 From glory to glory from grace to grace  
 The Spirit of God filling up the place  
 The Kingdom of God's where the King is reigning  
 Jesus is the King and He ain't playing  
 Games with the devil He sends him crying  
 Crushed by the power of Jesus dying

The nighttime gone, and the daytime come  
 The devil is finished when the Kingdom comes  
 Disease is gone, and demons run  
 False identities fall when the Kingdom comes  
 The liar shuts up, and the veil is torn down  
 The ground breaks open, when the Kingdom comes down  
 The rocks start splittin' and the prodigals come home

Sorrow no more when the Kingdom comes down

## CHORUS 1:

### BRIDGE 2: A F#m D A

Shame starts leaving when the Kingdom comes

Depression releases when the Kingdom comes

Anxiety ceases when the Kingdom comes

Spirits of fear and bondage are done, when the Kingdom comes

Addiction is done when the Kingdom comes

Selfishness done when the Kingdom comes

Pride starts falling when the Kingdom comes

Betrayal is healed when the Kingdom comes

Bitterness is done, anger is done

Resentment starts leaving when the Kingdom comes

Divisions are done, gossip is done

Slander just stops when the Kingdom comes

Forgiveness starts flowing with grace and love and

Mercy starts flowing when the Kingdom comes

Relationships healed, fathers to their sons

Mothers to their daughters when the Kingdom comes

The broken get whole and the sick get healed when

The Spirit comes down and the earth is filled with

The glory of the Father and the righteous Son come

The Father, Son, Spirit, God three in One

## CHORUS 2:

	A	F#m	D	A
Let Your Kingdom come	let Your Kingdom come

As it is in Heaven	let Your Kingdom come			
A	F#m	D	A	
Let Your will be done	let Your will be done

## INTERLUDE

### BRIDGE 3: A F#m D A

When the Kingdom breaks through in the midst of chaos

Then hope shows up when you thought all was lost

Flowers start blooming where the clouds once rained and

Joy starts coming in the midst of pain and

Smiles start appearing in the midst of trials

People start laughing in the face of sorrow

Beauty starts appearing where the ashes once fell

And you start seeing Jesus in the midst of fire

# LET YOUR KINGDOM COME

Written by Dominic Balli and Joseph Pfeifer

Key: A, BPM: 75, Tempo: 4/4

Rulers and powers start giving their thrones up  
Giants start falling when the King's kids show up  
Jesus said we'd do more than even He's done  
And that's what we're praying when say "Kingdom Come"

## **BREAKS:**

That light and love and water and fire  
Life and hope and glory and power  
Would flow even deeper than ever like rivers  
In the desert causing everything dead to start living

I know that it seems crazy to think that we could see glory  
Just like after Pentecost and all those miraculous stories  
But this is what the King meant for us on the day He told us  
To pray "as it is in Heaven" so why not just do like Jesus and pray just like He taught us

## **INTERLUDE**

## **CHORUS 2:**
