PARENTS!

The J-High Ski Ranch trip is for incoming 6th, 7th & 8th graders to grow in the Lord, grow in new friendships and have a blast at a private water-ski ranch! Students will enjoy tubing behind a wakeboard boat, climbing a giant floating climbing wall, sliding down a huge waterslide, flying off of the blob and exploring the lake on kayaks and paddle boards.

On this sheet you'll find important information to get your student signed up and packed!

We hope your student will join us!
