

Creation Fest is one of the largest free Christian outreach festivals in Europe, and this summer, we as a Church have the privilege to participate by sending a group of volunteers to serve. And while abroad, we will also have a chance to visit Reality Church London and explore, serve, and pray through Europe's largest city.

Our goal is to make this trip an impactful discipleship opportunity for anyone in our church who wants to go deeper and serve in the unique context of rural and urban outreach ministry.
