Team Rules

- Defer and submit to leaders - non-negotiable
- Stay with your own team. Don't separate to do your own thing
- Keep to and respect the schedule
- Don't be loud and respect common spaces that the group is using
- Use wisdom and discernment.
- No purple or dark red/dark blue (eg, no lap-sitting)

**What to do if you get lost or separated

- Traveling in groups should hopefully keep us from getting separated.
- Exchange contact information with multiple team members at the beginning of the trip.
- If you do happen to get separated from the group call and text Anna or Billy ASAP.
 - Anna +18052006410 | Billy +18052790006
- If you cannot get in contact with anyone, the safest thing to do would be to return to the UCL accommodations: 20 Maple St, London W1T 4BN, UK

Practical Information

Mobile Phone Communication

- **Be sure to set up an International phone plan with your provider before you leave**
- Everyone with a phone should download WhatsApp and click on the group invitation sent from Anna
- The purpose of using WhatsApp is to keep every group informed about important details or updated in case of schedule or location changes.
- When calling a UK number from your US mobile phone, you must dial beginning with a +44 and drop the first "0" from the number. For example, if you want to call a UK restaurant and google shows that their number is 07490691212, then from your US phone you would dial +447490691212

Spending Money in the UK

- If you have a mobile phone with Apple Pay or Google Pay, you can use your phone to pay for 95% of your purchases. The UK adopted contactless payment universally long before the US, so it is very common.

- If you do not have a payment method on your phone, then you can use a credit card or bank debit card as long as it has a chip (or it is contactless) and you know your pin number
- If you need GBP£ in cash, you should get a minimal amount before we leave by using any currency exchange option

What Will You Need to Spend Money On?

- Prepare to pay for food on all travel days:
 - Traveling from LA to London, prepare to buy a meal at the airport
 - London to Paris & Paris to London, prepare to purchase a light meal
 - London to Cornwall on the coach, prepare to buy food, if needed, at the airport, and dinner at the rest stop on the way to Cornwall
 - Traveling from Cornwall to London, prepare to buy lunch at a rest stop
 - Traveling from UCL to London Heathrow Airport, prepare to buy lunch at the airport
- Any extra “treats” like coffee, ice cream, etc that is not purchased for the entire group
- Any souvenirs you would like to purchase along the way

London Travel Information

- Follow your leader, stay in your group
- Each leader has a phone and access to our staff in case anything happens during the trip. It is very important that you remain with your group leaders
- You will be provided with an Oyster Card for travel
- When entering the tube station, use your Oyster Card to tap the yellow circle on the ticket barrier. The doors will open and close quickly and only one person can enter at a time. Also, you must exit the ticket barrier when you end your journey which requires you to use the same card to tap out.
- When boarding a Bus, use the same yellow circle to tap your Oyster card. Once your journey ends you do not need to tap out.

Travel Safety & Etiquette

- On the road, pay careful attention to traffic as it is very congested (look right first!)
- When in a train station, always stand on the right of an escalator.
- Mind your volume while on the Tube, in the Tube stations, and on buses
- The doors on the train shut very quickly, be sure you enter quickly with your entire group, preferably with a leader getting on board last.
- If you accidentally don't get on the tube with your group and the doors have closed, stay on that platform until a leader returns to get you. Do not leave the platform. Immediately call and share location with Anna and Billy. We will come find you, so stay where you are.
-Leaders will not find the student unless Anna and Billy ask you to.

Border & Customs

- What should you say if/when speaking with a Border Control/Passport Screening Agent? It's important to simply say this: "I am attending a music festival in Cornwall and touring London."
- The key phrases are "attending" and "touring". Avoid using the term "volunteering" because it raises a lot of questions about work and work visas, which will only cause confusion

Protecting Valuable Belongings

- Our staff will be collecting and distributing your Passports during International travel. When the youth team is not traveling, the staff will collect your passports and store them securely.
- Laptops and tablets should be locked in your rooms at UCL Ramsay Hall when you travel in London
- Keep your phone and wallet/purse with you at all times.
